Homes around the World

Homes are very important to people. People sleep, eat, and spend time with their families in their homes. All homes don't look the same. They are different because people live in different places. Some houses are built in caves, some on the water, and some in the grasslands. They may look different, but they are all wonderful homes.

These are cave houses in Turkey.

These are yurts in Mongolia.

These are stilt houses in Myanmar.

These are round houses in South Africa.

Your Turn

Which home do you like the most? Why?
Do you live in a house or an apartment?

This is a house in Germany.

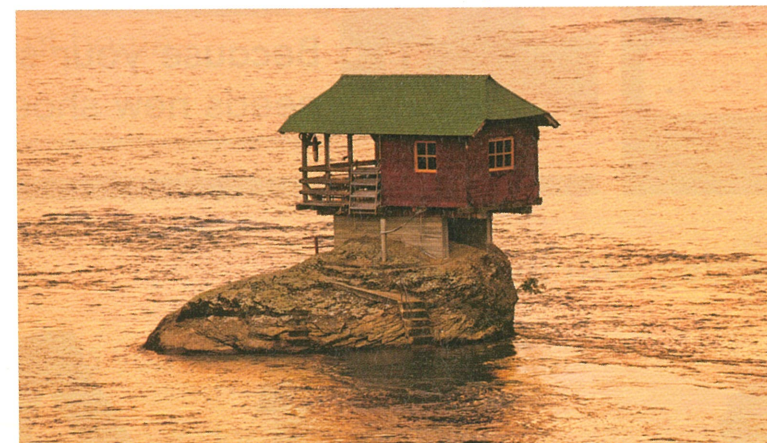

This is an apartment building in New York.

Project

1. Find an interesting house on the internet.
2. Paste a picture of the house and write about it.
3. Share the poster with the class.
