# Pictograph Chart

What subjects do children usually like? Let's find out. Look at the pictograph chart. It shows the children's favorite subjects at Sunshine Elementary School.

Favorite School Subjects = 1 student

**Your Turn** Write the answer.

1. How many students like art?

Seven students like art.
2. How many students like English?
3. How many students like math?
4. How many students like PE?
5. How many students like science?
6. What is your favorite class?

What do you like to do on the weekend? Do you like flying kites, reading, or camping? How about bike riding, swimming, or shopping?

## Project

1. Take a class survey.
2. Count and color the apples.
3. Share the pictograph chart with the class.

Nine students like bike riding.  
Ten students like swimming.
